

An introduction to London fashion styling and how to create a fashion story.

The Course

This course looks at the current fashion image and creative life in London. Learn from fashion industry academics and professionals about contemporary fashion image, how to source inspiration and get to know the city's major influences and fashion artists. You will gain access to London insiders' fashion events and create a fashion story for your end-of-course project.

Who is it for?

This course is aimed at all levels and experiences, from beginners to fashion professionals. It is designed for those who wish to enhance their fashion awareness and expand their fashion skills from a London fashion perspective.
